*a monthly newsletter for employees of Episcopal Homes*

### **Housekeeping & Environmental Services Week!**

Held every year during the second full week of September (12th-18th in 2021), International Housekeepers and Environmental Services Week is a week dedicated to recognizing the efforts of hard-working custodial staff members. Thank you!

### **Calling Episcopal Homes RNs Seeking Extra Pay!**

Episcopal Homes' Home Care is growing. We are experiencing a backlog of nursing assessments for existing clients as well as a surge of new clients that require

assessments. We are looking for RNs who would be part of a pool to help complete nursing assessments when our small staff is temporarily inundated. Home Care would pay \$100 per assessment on an on-call basis. While new client assessments have a 24 to 48 hour turnaround time, ongoing assessments can be scheduled over time. You have the opportunity to take assignments as your schedule permits. We are grateful to know of any RN who may be interested. Call, text or email Kelly Hanson, Home Care Staffing, at: 612-262-9656 or [khanson@episcpoalhomes.org](mailto:khanson@episcpoalhomes.org). Thank you!

## Thank you Stacy!

Thanks to our new partnership with Trader Joe's, we have beautiful fresh flowers to start our week with every Monday. This partnership has been in full bloom since Spring! I caught a few pics of volunteers working with Stacy this past weekend. So much love and tender care given to make our work place and "home" an even more delightful place to work and live. Thank you Stacy and your team of volunteers. *Shout out was given from Julie Niewald*
